

FAIRFIELD METHODIST SCHOOL (PRIMARY)

31 August 2026

Dear Parents/ Guardians,

APPLICATION FOR ENROLMENT IN THE SCHOOL'S STUDENT CARE CENTRE (SCC) in 2027

The current Student Care Centre service provider, Commit Learning SchoolHouse (CLS), will continue to operate the Centre at FMS(P). A Frequently Asked Questions page will be made available on the school website from 31 August 2026 for your reference.

Applications for SCC enrolment open on **1 September 2026** for all students. **As all SCC places are valid for one year only, existing SCC students will need to re-apply for 2027.** Please complete and submit your application form via FormSG at <https://go.gov.sg/scc2027>. Please ensure that your form is fully completed with all required information.

The application period closes on **11 September 2026**. Late applications will not be accepted. No application fee will be charged.

Please note that vacancies are limited and submitting an application does not guarantee a place. Should applications exceed available vacancies, priority will be given to the following groups:

- 1) Primary 1 and 2 students
- 2) Students on the Financial Assistance Schemes
- 3) Students from dual-income households with no alternative care arrangements

The school will notify you of your application outcome by **16 October 2026**. If you are offered a place and wish to accept it, you will need to register with CLS and pay a non-refundable registration fee. CLS will provide registration details to all successful applicants.

For queries on application, please call FMS(P) at 6778 8431, or email: fmisp@moe.edu.sg, and cc our SCC School Liaison, Mrs Lim Wei Wei at chua_wei_wei@moe.edu.sg.

Regards,

Mrs Soh Mei Foong
Principal
